

Application Addendum

In connection with this application, I/we in my/our capacity as authorised bank account signatory/signatories irrevocably instruct Satabank plc (the 'Bank') to repay the loan (the 'Loan'), both principal and accrued interest, provided by the Hardship Fund for the Corporate Clients of Satabank (the 'Fund'), from the accounts specified below (the 'Specified Accounts').

By receiving payment from the Fund, I/we acknowledge and agree to the above and confirm I/we have the appropriate authority and/or consent of (as applicable) the directors, managers, ultimate beneficial owners, individual shareholders or other representatives (the 'Representatives') of each entity entitled to provide an instruction in respect of each Specified Account.

I/we authorise the Fund to regularly provide the Bank with an up to date balance, of both principal and accrued interest, in respect of the Loan to enable an electronic payment to be made by the Bank to a nominated account belonging to the Fund. I/we accept that:

- the Bank shall only make payment from each Specified Account once the appropriate checks have been completed and payment is authorised as part of the general return of funds process being directed by the Malta Financial Services Authority, and
- if there is a balance outstanding in respect of the Loan following payments being made from each Specified Account, then the account holder shall be liable for repayment of the Balance directly to the Fund
